**Vol. 12 No. 2, February 2, 2017**

In accordance with Association policy, regular communication will be provided to NLTA members by way of periodic updates on the status of the collective bargaining process. This update is provided as a follow-up to the last Bargaining Brief on December 20, 2016.

In response to a request from Government, February 13 and 14, 2017 have now been confirmed for the exchange of opening proposals between the employer and NLTA negotiating teams. The NLTA Negotiating Team will be meeting in advance of these dates for training

and preparation on February 8-10. As per Association policy the opening packages will be prepared and provided to members at branch meetings following the March 3 session of Joint Council. The dates of Branch meetings will be communicated in due course.

We will keep you advised of any significant developments or progress in negotiations through subsequent Bargaining Briefs and other communications as necessary.
