

January 9, 2017

Dear Friends:

The Janeway Children's Hospital Foundation is excited to once again be working with the wonderful students, teachers and staff in schools across our province for the annual **NLTA Janeway Day in the Schools**. The Janeway Children's Health and Rehabilitation Centre just celebrated its 50th Anniversary and the NLTA Janeway Day in the Schools has donated to the hospital consistently since 1986!

Every day, sick and injured children from areas throughout Newfoundland and Labrador arrive at the Janeway in need of medical attention. It is generous and dedicated groups such as yours that make it possible for our medical staff to continue providing these children with the best care possible. From the latest innovations in medical equipment and life-saving research, to continued staff education and vital pediatric programs, your gifts help provide an exceptional health care environment for our children.

We understand that many schools are required to fundraise for their own needs and other worthwhile causes, so we truly appreciate the extra effort that goes into supporting the Janeway. Therefore, on behalf of the Janeway Foundation, our medical staff and our Janeway families and friends, thank you for your support and caring. Should you have any questions or require further information, please contact me at 709-777-4264 or phyllis.kinsman@easternhealth.ca.

Sincerely,

A handwritten signature in black ink that reads "Phyllis Kinsman". The signature is written in a cursive, flowing style.
