

CARING AND SHARING FOR THE JANEWAY

FEBRUARY 14, 2017
**JANEWAY
DAY 2017**

Every year, Janeway Day in the schools provides an opportunity for students and teachers to help other children. Since 1986 students and teachers have donated more than **\$1,085,390** to the Janeway.

Here's how to participate in Janeway Day 2017: Ask students and teachers to forego the equivalent of recess monies for one day. That's their donation to the Janeway.

All monies will be forwarded to the Janeway to help the children of Newfoundland and Labrador.
