

# TEACHER TO TEACHER: SHARING THE WISDOM

We are Alberta educators who are interested in your insights into the teaching profession. In order to collect and learn from retired teachers, we have created a short survey.

Our research will be published as an article and/or a book to share with practicing teachers.

We invite you to take a few moments to complete the survey. Please click on the link below or the survey can be found on the ARTA website.

We thank you in advance for your support!
