## **TEACHER/STAFF APPRECIATION WEEK 2015**

St. John's, NL....Teacher/Staff Appreciation Week is February 8 to 14 and the Newfoundland and Labrador Teachers' Association would like to highlight and thank all teachers and school staffs for their hard work and dedication.

“Every school in the province has dedicated teachers, administrators and staff,” says James Dinn, President of the Newfoundland and Labrador Teachers' Association. “In my role as President I have had the honour to meet many of these dedicated professionals who contribute to the success of our schools and ensure that our children receive an exceptional education. During Teacher/Staff Appreciation Week I would like to extend my appreciation to the teachers, school staffs and other educational partners who work on behalf of students in Newfoundland and Labrador.”

National Teacher/Staff Appreciation Week was founded in 1988 by the Canadian Home and School Federation. The week provides parents, grandparents, caregivers and others concerned with children and their education, an opportunity to join in celebration of support for Canada's schools and their teachers and other staff members.
